FBLA has been working hard to create a snack shopping experience for our Faculty and Staff. Right now they have turned a filing cabinet into a vending machine but they have hopes in purchasing a machine of their own to improve the shopping experience! Surveys were sent out to employees so FBLA could provide the most popular snack choices!

Please remember that if you are going to use the auditorium, it would be best to let Fay Mann know as soon as possible. The heat is barely on and it will take a few hours for it to get warm.
